

## Statement of Understanding

Please read and initial each statement.

I, \_\_\_\_\_ do understand...  
*(print your name)*

X\_\_\_\_\_ The graduation robes are not provided by MCT. (If your church chooses to host their own graduation you are responsible for your own robe.)

X\_\_\_\_\_ There is a \$100.00 late fee on the Student and Administration fees if total of each fees are not received in the MCT Home Office by the due dates listed in the Student Catalog.

X\_\_\_\_\_ I should not wait until due dates of Student and Administration fees to pay them, but I should pay periodically on said fees.

X\_\_\_\_\_ MCT has religious accreditation, not secular, and I will not receive a 1098-T tax receipt for education. I will, however, receive a tax letter from the MCT satellite extension host church for the giving of finances toward my religious education, which should be tax deductible.

X\_\_\_\_\_ If I try to bypass the satellite extension administrator by sending fees (i.e. tuition, book, student or administration) directly to the MCT home office, I will receive a receipt and thank you letter for donating to the Haitian Ministry of MCT.

X\_\_\_\_\_ If I am an Associate or Bachelor student of MCT, then I MUST serve a 30 hour internship for the pastor of the hosting church of the MCT satellite extension (at said Pastor's discretion). If I am a Master student I must submit a 50 page thesis along with a \$100 reading fee. If I am a Doctoral student I must submit or 100 page dissertation with a \$200 reading fee.

X\_\_\_\_\_ I understand that no books will be sent to my administrator for my receipt until my book fee has been paid and processed by the home office, **which could take TWO WEEKS.**

X\_\_\_\_\_ I understand that my diploma will not be released until (at least) 2 WEEKS after ALL my fees and obligations are met and cleared.

X\_\_\_\_\_ I understand that my procrastination is not your emergency.

I have read, initialed, I understand and agree with each of the statements above.
